May 5th & 6th, 2014
Kent County Courthouse,
5th floor Conference Room, 180 Ottawa Ave NW, Grand Rapids, MI 49503
This is a training you won’t want to miss!

Training Summary: This seminar will help you become proficient on the current HUD HCV Homeownership guidelines. You will learn about guidelines and options to implement and manage a successful HCV Homeownership program in your area; accurately determine family eligibility, verification requirements and hands on case studies to accurately determine assistance calculations; learn ways to improve your programs by integrating with Family Self Sufficiency and other homeownership initiatives; learn how to develop the necessary partnerships to succeed; examine examples of best practices for programs, partnerships, lender requirements, counseling, policies, and methods to avoid pitfalls in poor implementation or loss of valuable resources; gain an understanding of the mortgage lending process and the interface with the program, and obtain quality assurance forms and techniques to make sure your operation can meet RIM requirements.

NAHRO Faculty: Mr. Dennis Morgan has more than 39 years of experience in the public housing industry, including six years as Executive Director of Lucas Metropolitan Housing Authority in Toledo, Ohio, and serving in executive positions in two Florida PHAs for 23 years - including 16 years at the Orlando Housing Authority and seven years as Executive Director of the Deland Housing Authority. He conducts both PH and HCV Eligibility, Income and Rent Calculation, PH and HCV Occupancy, HQS, UPCS, Property Management Essentials, Managing Maintenance, FSS, and HCV Program Management Seminars for NAHRO. He authored numerous publications for NAHRO and other national organizations. Additionally, Mr. Morgan works with NAHRO, HUD, and local PHAs in providing technical assistance to individual agencies across the country.
